

Complete Your Compostable Offering

Our 100% compostable cutlery line features high-performance, sustainable items that consumers are looking for. Available as straight packs of compostable forks, knives, spoons or teaspoons, and a compostable cutlery kit, including a compostable fork, knife, spoon and napkin in a compostable bag, we have the cutlery solution perfect for your business needs.

Made from fully compostable, natural colored CPLA, our new compostable cutlery is made to perform. With a special design to add strength, our cutlery is not only made for cold applications, but also withstands the heat of hot foods and soups with a heat tolerance of up to 180° Fahrenheit.

Aesthetically Tailored for Any Operation

- **Simply Stated:** Our new cutlery is developed to fit the latest menu trends with a contemporary and clean look
- **Natural Look:** An immediate 'green' cue for customers, our compostable cutlery has a natural color and is unbleached, adding strength and remaining better for the environment.

Our Green Collection Compostable Cutlery will be available to purchase on June 6.
