

ALL NATURAL HANDCRAFTED SKIN CARE

ENVIRONMENTAL POLICY STATEMENT

Hyssop Beauty Apothecary creates pure, natural skin care and beauty products while being kind to the environment and its beings. We are enthusiastically committed to minimizing our environmental impact. For everything we do, we will question how we may accomplish the same goal while at the same time improving our environmental performance.

Our vow to the environment encompasses our entirety, including our staff, our customers, and our community.

We pledge to:

- Always remain in compliance with all environmental regulations;
- Prevent pollution to the best of our ability;
- Reducing waste in everything that we do;
- Purchasing from the most sustainable sources possible;
- Train our staff on our environmental program;
- Set an example for our community;
- Vow to always do better by auditing our environmental impact and continuously setting new goals.
