Environmental Policy Statement

Two States Services, LLC is committed to environmental sustainability and social responsibility. We aim to minimize our environmental impact and contribute to a sustainable future. We will achieve this by:

- **Reducing our carbon footprint:** Implementing energy-efficient practices, reducing waste, and promoting sustainable transportation.
- **Promoting sustainable resource use:** Conserving water, minimizing waste, and maximizing the efficient use of resources.
- **Supporting environmental initiatives:** Collaborating with organizations and communities to promote environmental conservation.
- **Educating our employees:** Providing training and awareness programs to foster a culture of environmental responsibility.
- **Complying with environmental regulations:** Adhering to all applicable environmental laws and regulations.

We will regularly review and update this policy to ensure its effectiveness and alignment with evolving environmental standards. By embracing sustainable practices, we strive to create a positive impact on the environment and future generations.
