## Exterior Home & Garden Design

### Environmental Policy Statement

At Hyatt Creative Design, we are committed to minimizing our environmental impact and promoting sustainable practices in all aspects of our business operations. We recognize the urgent need to protect the natural world and mitigate the impacts of climate change, and we are dedicated to doing our part to create a more sustainable future.

**To uphold our commitment to environmental stewardship, we have implemented the following policies and practices:**

1. **Sustainable Design:** We prioritize sustainable design practices & principals in all of our landscape design projects. This includes incorporating native plants, reducing water consumption, minimizing waste, and using eco-friendly materials whenever possible.
2. **Waste Reduction:** We strive to minimize waste in all aspects of our business operations. This includes reducing paper usage, recycling and composting, and minimizing packaging waste.
3. **Energy Conservation:** We seek to minimize our energy usage and reduce our carbon footprint. This includes using energy-efficient lighting and equipment, optimizing natural heating and cooling systems, and encouraging remote work to reduce transportation emissions.
4. **Responsible Purchasing:** We prioritize purchasing from suppliers and vendors that share our commitment to sustainability and environmental responsibility. We source materials locally whenever possible to reduce transportation emissions, and we prioritize eco-friendly products and services.
5. **Continuous Improvement:** We recognize that environmental stewardship is an ongoing process, and we are committed to continuously improving our practices and policies. We regularly assess our environmental impact and seek out new opportunities to reduce our carbon footprint and promote sustainability.

**We are committed to promoting environmental stewardship and sustainability in all aspects of our business operations, and we believe that together, we can create a more sustainable future!**
