

# THE MARILYN SCHLOSSBACH GROUP

## LEARN ABOUT OUR STRAW POLICY

Did you know 500 million straws are used and discarded every day in the United States alone? That's 175 billion a year filtering into landfills and littering our waterways and oceans. It's enough straws to fill more than 125 school buses with straws every day and 46,400 school buses a year. We are using these disposable utensils at an average rate of 1.6 straws per day, per person.

Join The Marilyn Schlossbach Group venues in a global movement to eliminate plastic drinking straws from our landfills, our streams, our oceans, and our beaches.

We want to be part of the solution to plastic pollution and as such are only serving straws upon request.
