WEST-WARD
PHARMACEUTICALS

• Purpose

- Companies are feeling **PRESSURE** to develop an effective corporate sustainability strategy and **ACT** in an environmentally responsible manner

• Scope

- Identify and execute ideas and ways to IMPROVE internal operations.
- 1st Step towards an Environmental Stewardship!
- Ideas include but are not limited to:
 - Water Conservation
 - Energy Conservation
 - Renewable Energy
 - Waste Prevention
 - Recycling
 - Green Purchasing
 - Fleet Transportation
 - Sustainable leadership

• Mission

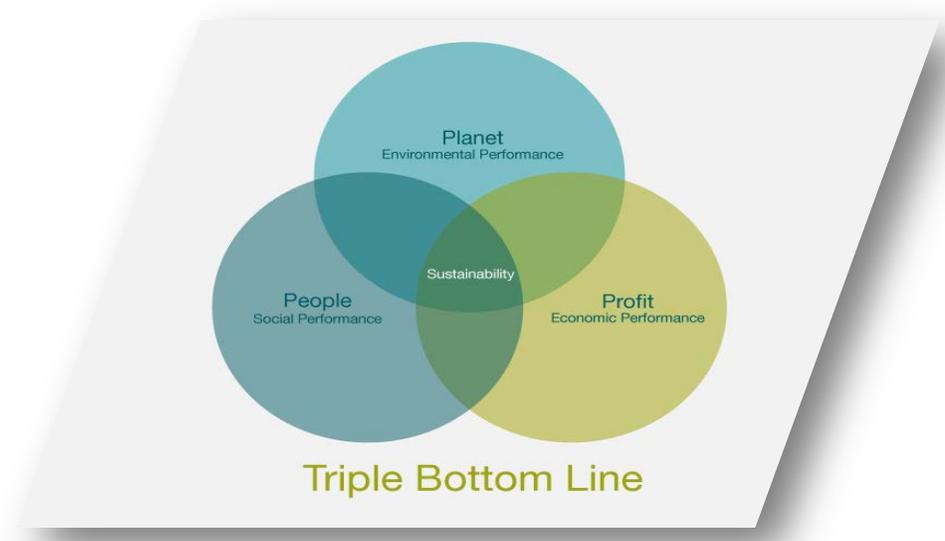

- Creating awareness of stewardship and sustainability issues to employees
- Identify opportunities to cost effectively reduce environmental impact
- Facilitate initiatives to capture opportunities and capitalize on our Corporate Social Responsibility

• Vision

- Reduce the impact of our internal manufacturing operations on environment through sustainable practices and source reduction initiatives

• Benefits?

- Obviously, Cost Savings!
- Reduction in Raw material & Product losses
- Increase Production Efficiency
- Good Neighbor Image
- Increase in Environmental Performance

• What is a Green Team?

- Employee Volunteers in groups who help identify and implement specific environmentally sustainable operations
- One large project can be broken down into micro tasks.
- Project goals depend on the natural resources, culture, economic situations, location and function variation.

• Responsibilities

❖ Sustainable Leadership Council (Risk Council)

- ❖ Prioritize high level facility goals and action plans
- ❖ Supports facility identified projects with staff as needed
- ❖ Support community outreach efforts that promote sustainability
- ❖ Meets Monthly

❖ SLC Lead (Site EHS)

- ❖ Organize and lead monthly discussions with site level leads
- ❖ Encourage participation, answer questions, track and record program progress
- ❖ Act as liaison between Sustainable Leadership Council and employees

- The best time to plant a tree was 20 years ago. The next best time is today
- If you are planning for a year, sow rice; if you are planning for a decade, plant trees; if you are planning for a life time, educate people

*Thank You
For
Listening!*

"Yes, the planet got destroyed. But for a beautiful moment in time we created a lot of value for shareholders."
